## **DALBY MARKET REPORT - Wednesday 29th June 2022**

**Combined agents yarded 3069 head of cattle for this week's Dalby sale. Overall, the market was slightly easier in spots with some areas unchanged from last weeks rates. A smaller panel of meatworks buyers were in attendance which in turn caused a fall in the heavy kill cattle classes.**

**Feeder steers and heifers were relatively firm on current market trends, with steers ranging from 480-550c/kg and heifers similarly from 470-520c/kg.**

**Weaner and restocker cattle were cheaper however the better lines in both sections still sold to a competitive panel of buyers.**

**A small yarding of cows and calves came to hand topping at \$2800.**
